

SAINIK SCHOOL BALACHADI
EK BHARAT SHRESHTHA BHARAT PROGRAMME

ADDRESS BY THE CHIEF GUEST

SHRI PRODIP SHEJUL IPS
SUPDT OF POLICE
JAMNAGAR

Group Captain Ravinder Singh, Principal Sainik School Balachadi, Lt Col Deepak Chadhdha, Administrative Officer, Lt Col Dharendra Kumar, Vice Principal, distinguished invited guests, the staff and cadets from Sainik School Ambikapur, ladies and gentlemen and members of the staff and my dear cadets,

A VERY GOOD MORNING TO YOU ALL!

I am greatly honoured to be invited as the Chief Guest on this Closing ceremony of 57th School Raising Day of Sainik School Balachadi.

I am sure, it has been intensive two days. Productive, fruitful and wonderful, technical and social programs you all must have been witnessing and participating. Let me congratulate both the schools for actively participating in all the events.

I have already been briefed by your Principal about the different activities held in the school on this occasion. Such events really help you to develop your personality.

Since the day you witnessed the Opening Ceremony of the “Ek Bharath Shresht Bharat Campaign cum Student Exchange Programme” You have also witnessed the Inauguration of Exhibition, conduction of Poster Making Competition and Cake cutting ceremony on this occasion.

Conduction of Quiz Competition, Declamation and Student’s Video Display prepared by both the participating schools and the Cultural show on the theme of ‘culture and tradition’ of the two states are the signs of healthy environment the Officers and the teachers wants to provide you. The theme of the English skit was really a noble one which exhibits the friendship between Krishna & Sudama. My accolades to the team of skit and the teacher director behind the screen. Such qualities will really help in molding of the cadets’ character.

You are few among those lucky ones, who are being molded in a right direction. The infrastructure of the school speaks about the interest the school authorities take in giving you all the possible opportunity of learning. I was also told by the principal that there is special care being taken by the authorities to teach you the basic communication skills from the basic level. Cadets, I hope that you all will make best use of the opportunities extended to you and move towards your goal that is to join NDA.

I hope you all have achieved the goals you had set for yourselves before participating in all these events and competitions. Congratulations, to all the prize winners.

I also congratulate the staff for, it must have been almost difficult to conduct such a big event within this short span of time just after the reopening of the school. But, because of the systematic planning and sincere efforts made by the members of the staff, it culminated in a successful manner.

This must have once again been an amazing experience of learning, exploring, playing and making friends amongst yourself. I'm sure, you all will make best use of the lessons learnt and move ahead with more confidence and positivity.

Thank you, and

Jai Hind !!!
